Hola Simpsons,

How are things going? It's been a while since we met. Does your country have a book fair? There was a book fair in Thailand last week. I'm so excited!! cause it's been such a long time since the last event.

Everywhere with covid, But I still don't care. No one can stop me from going to the book fair because I am already vaccinated with 2 doses of Sinovac which give me strong immunity.

For me The book fair is very interesting. It has many various types of books, such as textbooks, nonfiction books, novels, doujin, and so on. It's so expensive but I still bought them all btw. But... Do you know how lucky I am? You won't believe who I met at the fair. That man is Kirigaya Kazuto. Just kidding. It's ZHONG XINA aka. John Cena from the Peacemaker series. He is so cool!!! Dude. At that moment I think my heart just stopped beating for a while. I also asked him to give me his photograph and sign it. I was so excited. So I didn't notice that his photograph was a blank picture. After a while I realised that he said his signature quote "You can't see me". He's absolutely got me with that. I hope you could meet him too. It was very hyped. Oh it's almost time now i gtg. Btw the Thailand game show is gonna happen next month. If you're free, wanna come join us? We could have a good time together or maybe a chance to meet another famous creator and streamer there too.

PS. Hope you are doing well back there. And I also send something amazing that I think you would love it. It'll arrive sometime next week. Take it with care.

PS2. Hope to hear something from you soon dude.

Best wishes and stay safe, hope to hear from you soon my friend.
